This matter comes before the Public Service Commission of South Carolina (“Commission”) on a petition from Mark Toppi d/b/a/ American Family Moving & Storage (“Toppi” or “American Family Moving & Storage”) for an additional six month suspension of his Class E Certificate of Public Convenience and Necessity No. 9757. This Certificate was originally issued to Toppi pursuant to Order No. 2006-608 (October 16, 2006), granting American Family Moving & Storage authority to provide moving services of household goods in certain areas of South Carolina, and it was initially suspended at the holder’s request by Order No. 2007-776 (November 2, 2007). The initial suspension, which was for financial reasons, expired on June 1, 2008.

Based upon consideration of the present petition only, the Commission is of the opinion, and so finds and holds, that the request should be approved. However, concurrent with this request, the Commission held an August 13, 2008 hearing on a petition of the South Carolina Office of Regulatory Staff (“ORS”) to revoke certain certificates for failure to file annual reports. Toppi’s certificate was among those that

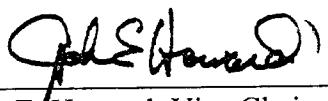

were ultimately revoked by Order No. 2008-590 that resulted from this proceeding, and the revocation for failure to file annual reports takes precedence over this current grant of suspension. Thus, based on Order No. 2008-590, in order for Mark Toppi to regain household goods moving privileges, he must re-file for a new certificate of public convenience and necessity.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

  
Elizabeth B. Fleming, Chairman
